

Kategorija: **AMD matične ploče**

Proizvođač: **Biostar**

Šifra: **B550MH**

Matična ploča AM4 Biostar B550MH VGA/HDMI/M.2

## Matična ploča AM4 Biostar B550MH VGA/HDMI/M.2

**Maloprodajna cena: 10.490,00 RSD**

**Web cena: 9.990,00 RSD**

**Ušteda: 500,00 RSD**

### Specifikacija

|                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

| Podržani procesori          | Socket AM4 support AMD 3rd Gen Ryzen™ (Matisse/ Renoir) processors and Ryzen™ 4th Gen (Vermeer) processors Support for future AMD Ryzen processors with BIOS update                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Podržana memorija           | DDR4                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Memorija                    | 4th Gen AMD Ryzen Processors (Vermeer CPUs/ Future APUs): Supports Dual Channel DDR4 4400+(OC)/ 4000(OC)/ 3800(OC)/ 3600(OC)/ 3200/ 2933/ 2667/ 2400/ 2133 3rd Gen AMD Ryzen Processors (Matisse CPUs): Supports Dual Channel DDR4 4400+(OC)/ 4000(OC)/ 3800(OC)/ 3600(OC)/ 3200/ 2933/ 2667/ 2400/ 2133 3rd Gen AMD Ryzen with Radeon Graphics Processors (Renoir APUs): Supports Dual Channel DDR4 4933+(OC)/ 4800(OC)/ 4600(OC)/ 4400(OC)/ 4000(OC)/ 3800(OC)/ 3600(OC)/ 3200/ 2933/ 2667/ 2400/ 2133 2 x DDR4 DIMM Memory Slot, Max. Supports up to 64 GB Memory Each DIMM supports non-ECC and ECC Un-buffered 8/ 16/ 32 GB DDR4 module |
| Integrirana grafička karta  | By CPU model Supports DX12 Supports HDCP                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Slotovi za proširenje       | 1 x PCIe 4.0/ 3.0 x 16 Slot: Supports PCIe 4.0 x 16 mode with AMD Ryzen™ processors. (Matisse only) Supports PCIe 3.0 x 16 mode AMD Ryzen™ with Radeon Vega Graphics processors. (Renoir only) 2 x PCIe 3.0 x 1 Slot                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Storage                     | 4 x SATA III Connector (6Gb/s) : Supports AHCI & RAID 0, 1, 10 1 x M.2 (M Key) Socket: Supports M.2 Type 2242/ 2260/ 2280 SSD module Supports PCIe 4.0 x 4 (64Gb/s)/ 3.0 x 4 (32Gb/s) Supports SATA III (6.0Gb/s) SSD * M.2 (M Key) Socket (M2_PCIe-SATA1): The bandwidth is depended on CPU. Supports PCIe 4.0 x 4 (64Gb/s) speed, which depends only on Ryzen 3rd Gen Matisse.                                                                                                                                                                                                                                                             |
| Mrežna karta                | Realtek RTL8111H 10/ 100/ 1000 Mb/s auto negotiation, Half / Full duplex capability Supports Super LAN Surge Protection                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Zvučna karta                | ALC887 7.1 Channels, High Definition Audio, Hi-Fi (Front)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
